Academic Year	2019-20
Name of Activity	Plantation Program
Activity Date	15/08/2019
Organized By	Extension Activity Cell
Number of Teachers	39
No. of Students	902
Objective	To Aware about opportunity to feel nature and plantation
	<p>IMIRC College of Law ,Bhaina, District Hapur is celebrating tree plantation week as per the instructions of the government, in which village Pradhan of Bahina Sadarpue Panchayat Shri Amit Singh participated as the chief guest in the first day program today. The Principal of the college and other officials started it by planting trees in the college premises. On this occasion, the village head Shri Amit Singh Ji said that our work is not fulfilled by just planting trees, but it is our responsibility to keep every planted tree alive, it flourishes and takes care of it. He praised this noble work of the college. Manager Dr. Rajendra singh Tomar said that each tree provides facilities of about Rs 1000000 to the people throughout its life, the tree provides fruits, flowers, wood, medicines and most importantly oxygen to the people and the value of that oxygen has come to know to all of us at the time of disaster like Corona. Is. How much has been the cost of each oxygen cylinder and how many cylinders have we taken oxygen in our entire life, which trees give us free, so if we want to save life, then of course trees have to be planted. Principal Dr. Sandeep Kulshrestha said that life cannot be imagined in the absence of trees. Trees are very important for monsoon, today the monsoon is deteriorating, the direct reason for which is excessive cutting of trees, so we all should take a pledge that we must plant at least 2 trees in our lives and take responsibility for them and take care of them and give them an opportunity to flourish. IQAC in-charge Dr. Suraj said that if there is a season of fruits at this time, then we should do one thing that do not throw the kernels of these fruits but keep them dry and after drying, wherever we go, throw these kernels on the empty places on</p>

Academic Year	2021-22
Name of Activity	Students take pledge for voter awareness
Activity Date	25/01/2022
Organized By	ELC Club
Number of Teachers	04
No. of Students	430
Objective	To Aware about voting right .
	<p>Voter awareness pledge was administered under Voter awareness program at IMIRC College of Bhaina Hapur. In the program, Principal Dr. Sandeep Kulshertha said that those whose names are not in the voter list and have not become voters and they have completed 18 years of age, they should go to the BLO and fill the voter form, so that their names can be added to the voter list, and you must go to vote, you are free to vote, you are voluntarily honest, Vote for the hardworking, qualified person, in democracy our representatives are elected by the people. Saleem Khan from B.A.LL.B faculty said that you have to vote free from anyone's temptation, if someone is giving you any temptation, then he will misuse your vote and you cannot solve any problem to him, because you have already come under his greed. Therefore, we have to vote free from greed. Monit sir said that we have to go to vote first on the day of polling, all the rest of the work has to be done later because our vote is not missed due to the busyness of work, so leave all the work, vote first. After this, Assistant Professor Rakesh Kumar administered the oath of voters to all the students.</p>

Report on "Awareness Program on Prohibition of Tobacco Products"

Date: 04-08-2023

Venue: IMIRC College of Law

Time: 11:00 a.m.

Introduction

IMIRC College of Law organized an awareness program on the prohibition of tobacco products at Bhaina Gram Panchayat on 04-08-2023. The program aimed to educate the rural community about the harmful effects of tobacco consumption and the importance of quitting.

Objectives

1. To create awareness about the harmful effects of tobacco consumption.
2. To educate the community about the prohibition of tobacco products.
3. To motivate the community to quit tobacco consumption.

Program Details

The program commenced with a welcome address by Dr. Sandeep Kulshertha, Principal, IMIRC College of Law. The keynote speaker, Dr. Rajendra Singh Tomar, Director of IMIRC College of Law, Bhaina Hapur emphasized the importance of quitting tobacco consumption and highlighted the support services available for those who want to quit.

Sessions

1. Harmful Effects of Tobacco Consumption: Dr. Pradeep Kumar Sharma Principal IMIRC College Hapur discussed the harmful effects of tobacco consumption, including cancer, heart disease, and respiratory problems.
2. Prohibition of Tobacco Products: Dr. Rajendra Singh Tomar explained the laws and regulations prohibiting the sale, manufacture, and distribution of tobacco products.
3. Quitting Tobacco Consumption: Dr. Sandeep Kulshertha provided tips and strategies for quitting tobacco consumption and highlighted the support services available.

The program witnessed active participation from the rural community, with over 230 attendees. The audience engaged in a Q&A session, seeking clarification on various aspects of tobacco consumption and prohibition.

Conclusion

The awareness program on the prohibition of tobacco products was a huge success, achieving its objectives of educating the rural community about the harmful effects of tobacco consumption and the importance of quitting. IMIRC College of Law plans to organize more such programs in the future.

Recommendations

1. Conduct regular awareness programs in rural areas to educate the community about the harmful effects of tobacco consumption.
2. Collaborate with local authorities and NGOs to promote anti-tobacco initiatives.
3. Provide support services for those who want to quit tobacco consumption.

Activity Report	
Academic Year	2023-24
Name of Activity	Plantation Program
Activity Date	15/08/2023
Organized By	Extension Activity Cell
Number of Teachers	39
No. of Students	357
Objective	To Aware about opportunity to feel nature and plantation
	<p>IMIRC College of Law ,Bhaina, District Hapur is celebrating tree plantation week as per the instructions of the government, in which village Pradhan of Bahina Sadarpue Panchayat Shri Amit Singh participated as the chief guest in the first day program today. The Principal of the college and other officials started it by planting trees in the college premises. On this occasion, the village head Shri Amit Singh Ji said that our work is not fulfilled by just planting trees, but it is our responsibility to keep every planted tree alive, it flourishes and takes care of it. He praised this noble work of the college. Manager Dr. Rajendra singh Tomar said that each tree provides facilities of about Rs. 2000000 to the people throughout its life, the tree provides fruits, flowers, wood, medicines and most importantly oxygen to the people and the value of that oxygen has come to know to all of us at the time of disaster like Corona. Is. How much has been the cost of each oxygen cylinder and how many cylinders have we taken oxygen in our entire life, which trees give us free, so if we want to save life, then of course trees have to be planted. Principal Dr. Sandeep Kulshrestha said that life cannot be imagined in the absence of trees. Trees are very important for monsoon, today the monsoon is deteriorating, the direct reason for which is excessive cutting of trees, so we all should take a pledge that we must plant at least 2 trees in our lives and take responsibility for them and take care of them and give them an opportunity to flourish. IQAC in-charge Dr. Suraj said that if there is a season of fruits at this time, then we should do one thing that do not throw the kernels of these fruits but keep them dry and after drying, wherever we go, throw these kernels on the empty places on</p>

the way, then in this season it can also be an easy way of planting trees so that forest wealth can be increased.

Name of Activity	Students take pledge for voter awareness
Activity Date	25/01/2024
Organized By	ELC Club
Number of Teachers	04
No. of Students	340
Objective	To Aware about voting right .
	<p>Voter awareness pledge was administered under Voter awareness program at IMIRC College of Bhaina Hapur In the program, Principal Dr. Sandeep Kulsherstha said that those whose names are not in the voter list and have not become voters and they have completed 18 years of age, they should go to the BLO and fill the voter form, so that their names can be added to the voter list, and you must go to vote, you are free to vote, you are voluntarily honest, Vote for the hardworking, qualified person, in democracy our representatives are elected by the people. Saleem Khan from B.A.LL.B faculty said that you have to vote free from anyone's temptation, if someone is giving you any temptation, then he will misuse your vote and you cannot solve any problem to him, because you have already come under his greed. Therefore, we have to vote free from greed. Saurabh Singh sir said that we have to go to vote first on the day of polling, all the rest of the work has to be done later because our vote is not missed due to the busyness of work, so leave all the work, vote first. After this, Assistant Professor Mohit Sir administered the oath of voters to all the students.</p>

Objective	To Aware about opportunity to feel nature and plantation
	<p>Tree plantation is necessary for a happy life Shri Rajendra singh Tomar IMIRC College of Law ,Bhaina, District Hapur is celebrating tree plantation week as per the instructions of the government, in which village head Bahina Sadarpue Shri Amit Singh participated as the chief guest in the first day program today. The Principal of the college and other officials started it by planting trees in the college premises. On this occasion, the village head Shri Amit Singh Ji said that our work is not fulfilled by just planting trees, but it is our responsibility to keep every planted tree alive, it flourishes and takes care of it. He praised this noble work of the college. Manager Dr. Rajendra singh Tomar said that each tree provides facilities of about Rs. 2000000 to the people throughout its life, the tree provides fruits, flowers, wood, medicines and most importantly oxygen to the people and the value of that oxygen has come to know to all of us at the time of disaster like Corona. Is. How much has been the cost of each oxygen cylinder and how many cylinders have we taken oxygen in our entire life, which trees give us free, so if we want to save life, then of course trees have to be planted. Principal Dr. Sandeep Kulshrestha said that life cannot be imagined in the absence of trees. Trees are very important for monsoon, today the monsoon is deteriorating, the direct reason for which is excessive cutting of trees, so we all should take a pledge that we must plant at least 2 trees in our lives and take responsibility for them and take care of them and give them an opportunity to flourish. IQAC in-charge Dr. Suraj said that if there is a season of fruits at this time, then we should do one thing that do not throw the kernels of these fruits but keep them dry and after drying, wherever we go, throw these kernels on the empty places on</p>

the way, then in this season it can also be an easy way of planting trees so that forest wealth can be increased.
